**MOZART
MASS in C minor**

with Musica Nova Orchestra

***** Pre-concert talk 6-30 p.m. Lloyd Buck *****

Mozart's Great Mass - What makes the Levin Completion so Special?

Mozart's Mass in C minor is one of the greatest works of the Choral Repertoire - that's why the Barnby Choir has chosen this for our 80th Anniversary Celebrations

At 6-30 p.m. our conductor Lloyd Buck will give a short talk about what makes this so special. Mozart never lived to finish the work. Robert Levin has recently produced a completion based on his unique scholarship and studies of Mozart's music. Lloyd will share his insights and particular knowledge of some of the challenges and highlights of tonight's performance.

You are warmly invited to join us for this free talk. Kindly just assemble in the **URC Church Wilmslow - Main Hall for 6.30 to 7-00** - to precede the concert at 7-30 p.m.
